From the first step inside, you are greeted by a sense of openness thanks to the large sliding window that floods every corner with natural light. The living-dining area shares an open space with a modern kitchen fully equipped with brand-new appliances, such as an induction stove and an electric oven. The master bedroom has an en-suite bathroom, while the second bedroom, with twin beds, shares the guest bathroom. Both rooms feature large built-in closets, perfect for long stays or frequent visits from friends and family. But what truly sets this property apart is its impressive solarium. With enough space to create your own private outdoor haven, it's ideal for installing a jacuzzi, an outdoor shower, or a barbecue. Picture yourself enjoying long afternoons under the Alicante sun, with a good glass of wine and al fresco dining while admiring the silhouette of the mountains in the distance.
