The new villas represent the well known Green model, now with an additional guest house. We have had 17 of these stunning villas for sale, and currently 3 of them remain and are ready to move in, waiting to become home to their new owners.

The main villa is distributed on two floors. On the first floor, there is a bright living room and kitchen with large windows and direct access to the pool and garden, a bedroom and a bathroom.

On the second floor, there are two en-suite bedrooms with access to an open terrace.

The property also has private parking and a green area. The guest house, on one level, consists of a bedroom and a bathroom, plus a cozy terrace with access to the main villa, pool and garden.
